

CERTIFICATE

- 100% BIO ORGANIC HEMP CONES® PAPER -

CERTIFICATE ON THE USE OF SPECIFIC TYPE OF BIOLOGICAL HEMP FIBRES FOR THE PRODUCTION OF CIGARETTE PAPER CONES.

The hemp fibers used in the production of the following cigarette paper Cones: BOH-16

are manufactured from hemp plants grown under biological conditions as attested by Bureau Veritas Certification No. Ab – 4429/40193. No artificial fertilizers, pesticides or herbicides have been used when growing the raw material.

We also certify that the paper is gluten-free.

And so we sign this document in Rotterdam, on November 23, 2016
